

Atexor code	SFSLED1
Certification marking	 mb op is IIC T6 Gb
Serial number(s)	851100036 -
Manufacturing date	12.1.2018
Product description	SLAM® FIXED Semic LED-1, EX LED luminary for fixed or portable use
Temperature classification	T6
Operating temperature	-20°C ... +40°C
Light source	1 LED module
Light emitted at source	1050 lm (measured)
Luminous flux	650 lm +/- 10%
Colour temperature	5000K +/- 10%
Colour rendering index	>80
Photobiological safety	Exempt group (No marking required, safe in normal use)
Supply Voltage (min-max)	24DC, -20%...+10%
Supply Current typical	375mA (24VDC)
Electrical class	Class III
Input power (P)	9W
Power factor	N/A
Cable	H07BQ-F 3x1,5mm ² 5m
Plug	N/A
Enclosure	Aluminum, polycarbonate
Ingress protection	IP68
Weight (with cable and accessories)	1,01 kg
Accessories	Wall clip
